Welcome to Station Yards!

If you are attending an event at Station Yards or just coming to dinner at one of our restaurants, you have access to park in our public parking garage. Our public garage has three entrances that you may enter, with directions to each provided below. Once you arrive at the entry ticket machine, you will pull a ticket and the gate arm will open. Parking spaces are available on all levels and you can pay prior to exiting the garage. Each elevator lobby in the garage has a pay station available, each with the ability to accept credit cards and one cash and credit card machine available on the first level. Paying prior to returning to your vehicle is not mandatory, however, is a quicker experience for you. If you do not pay prior to returning to your vehicle, you can pay via credit card at the exit machine by scanning your parking ticket followed by inserting your credit card once the rate owed appears on the digital display.
